

## **Lock 11**

**I went to Lock 11 for an excursion.**

**It was a great day to be down there.**

**It was beautiful the way the river was moving slowly.**

**It was calm and flowing water.**

**I saw house boats just sitting on the lovely, still shiny water.**

**I saw ducks fluttering their wings very fast.**

**I saw the sun reflecting on the sparkling river and it was a glorious sight.**

**I heard charming birds laughing happily.**

**I heard a boat's motor rumbling like a race car's engine.**

**The wind was blowing through the shaky wavy trees.**

**I felt the fresh cold blowing wind going through my body, my hair and face.**

**I also felt relaxed and happy.**

**I love Spring because of the river and how the trees sway back and forth**

**I LOVE LOCK 11!**
