

The Murray River

Current

Boats, Canoes

Cod, Catfish, Barramundi

The Sun's Reflection.

The Murray

At The Murray River

I see fish jumping in and out of the water.

I hear the kookaburra's laugh.

I feel the eucalyptus leaves scraping on my back as I walk past.

I taste all the dirty water in my mouth as I fall of the kneeboard.

I smell all of the dead fish wash up at the bank. Yuck!

I'm at the Murray River.
