

The farm

I drew this because I was thinking about when we move to the farm.

We will take the bus home and to school and we will have a fence around our horse Lilly so she doesn't get away.

She is white but you would not be able to see her.

That is why I did her black.

I did the house colourful because we don't know what colour our house is going to be.

Mum is still deciding what colour to paint it.

I think it should be blue like the water tank. I'm excited to move to the farm because I get to ride my motorbike and play with my cousins Mia and Tate.
